A brief description about my Family:

We are 6 members in family. I, (father) Merchant Navy Officer sailed as Master Mariner (Captain) in a foreign Shipping Company and quit sailing in 2019, his mother is Ph.D and a wonderful home maker, his elder brother (Marine Engineer) sailing as 3rd Engineer in a reputed foreign Shipping Company, his sister-in-law a finance professional working with a NGO as Accounts Officer. His Grandfather (Civil Engineer) is leading a retired life with us and his Grandmother (ex-Lecturer) is no more.

About my Son's Education & his Career:

My son graduated in BE Computer Engineering from Netaji Subhas Institute of Technology, Delhi University in 2016. He started his career with FLIPKART after passing out from NSIT, Delhi and was working as SDE-2 in FLIPKART Bangalore, till June 2021 before switching over to COHESITY where he worked as Senior Member of Technical Staff till October 2022. From November 2022 he joined AirBnB as Senior Software Engineer on a package of 1.5 Cr per annum (CTC).

Besides work, he loves watching movies, listening to music, enjoying vacations and exploring different places of interest.

My son is very simple by heart, caring nature, fun loving and having moral beliefs, looking for a decent qualified partner who is loving, caring, practical and willing to adjust within our family.

We basically belong to Meerut and have settled at Meerut, Uttar Pradesh since 1982. We are financially sound and own reasonable assets other than our residence as mentioned below.

In case you are interested in his proposal, then please feel free to contact me on my below given mobile number.
